

Corporate Authorization Form

Start supporting NFI's Political Action Committee by filling out this Corporate Approval form.

YES! I authorize FishPAC to conduct a solicitation campaign among the corporation's eligible employees during the years designated below. I understand that I may grant this permission to only one trade association's political action committee during the years designated below. This in no way limits my corporation's right to solicit contributions for our own PAC. *This form can be signed only by an employee authorized to sign on behalf of the corporation.*

The Federal Election Campaign Act requires trade associations like NFI with Political Action Committees (PACs) to obtain written permission from their corporate members prior to soliciting the corporation's "restricted class" for contributions to the trade association's PAC. The restricted class of a corporation includes executive and administrative personnel, stockholders and the family members of both groups. This permission may not be granted by a corporation for more than one trade association in the same calendar year.
