The Fisheries Scholarship Fund  
List of Perpetual Funds

The NFI Fisheries Scholarship Fund was established as a tribute to industry legend Lewis Goldstein, NFI’s President in 1964 who tragically died in a plane crash during his term in office.

Lewis and his three brothers, Stanley, Fred and Sam, got involved in the seafood business by following in the footsteps of their father, Jacob Goldstein, who founded Philadelphia’s Liberty Fish Company in 1907.

In the early 1980s, the Scholarship Trustees modified the name of the Fund from the Lewis Goldstein Memorial Fund to the Fisheries Scholarship Fund as a way of strengthening and expanding the concept so admirably started as a memorial to Mr. Goldstein. An on-going perpetual fund bears the name of the Goldstein Brothers as a symbol of their commitment to the seafood industry.

Since then, NFI has honored 38 key leaders and companies in the seafood industry with the establishment of Perpetual Funds.
